Notes from the teacher

The class did such a wonderful job at Mass. I was so proud of them. We are beginning a chapter in Math on counting money. Please help your child to identify pennies, nickels, dimes, quarters, and half dollars and the value of each one. They should be able to count a collection of coins up to \$1.00. It would be a good idea to practice counting real money at home. We will have a +5 math facts quiz on Thursday. Our Halloween party is on Friday at 2:00.

Upcoming Tests: Math facts quiz on Thursday,
Reading/Vocabulary and Spelling on Friday.
