

Week of October 20, 2008

Dear Parents, We are in the final stages of planning for our trip to Camp McDowell. Please remember that because of the huge response for parent chaperones, you will not be able to be with your child for each activity. We will make out a rotation schedule for parents. If you have not sent in your fee, please do so at the earliest convenience. We will be meeting with all students on Tuesday to get their preferences for cabin mates and answer questions about our trip. If you have any questions please email me and I will get back to you. I think it was great that so many students attended the conferences; they could answer questions and voice concerns. Please continue to encourage your child to do their best and study each night. Thank you for your support, Mrs. Matherne
