

Week of November 17, 2008

Dear Parents, We have a week until the Thanksgiving break. We want to thank all parents who helped make our Camp McDowell trip soooooo successful. Without you we wouldn't be able to do the "Extras". As Mrs. Mayfield wrote in her letter, please continue to speak with your child about thinking before making a comment. We have had many hurtful things said—the students don't always know how hurtful—or that thing said in anger can't be taken back. We will continue to work on this. Think, "Would I say that if Jesus were next to me?", "If Jesus was on my team or in my group, would he want to be my friend?"

We have much to be thankful for—our freedom to worship where we choose, our freedom to attend OLS Catholic School—our freedom of speech. Our freedom of speech comes with responsibilities. One of which is the responsibility to monitor what we say so as to not hurt anyone. Thank you for all you do to reinforce the Christian values we teach at Our Lady of Sorrows Catholic School. We hope your Thanksgiving is filled with the love of neighbors that Jesus gave His life for. Have a Blessed and peaceful Thanksgiving. Mrs. Matherne
