

Kindergarten Newsletter

IMPORTANT NOTES & UPDATES

To prepare for our wonderful day of Prayin' in our PJs, we wrote this newsletter on Thursday. So excuse us if we get a bit ahead of ourselves....but we know your children...and know it was a great for everyone!!! Thanks in advance for sharing your time with us!

Next week you will see an extra day of homework. We are focusing on strong, correct handwriting practices. Please sit with your child while practicing handwriting....go slow...use correct form and posture. Please use a pencil.

Please bring your favorite apple to school by next Tuesday. (red, green, yellow, or mixed) We will be graphing again!!

Mark your calendar for a Jean's Day- Oct.3. Bring a \$1.

In the month of October we will be collecting "Pennies for Priests". Your child may bring change to school to put in our collection. These "extra" funds are collected throughout the school and used for the education of our diocesan seminarians.

CURRICULUM NOTES Religion

We learned so much this week about different kinds of prayers. The word A.C.T.S. is a great acronym for adults to remember...A is for Adoration; C is for Contrition; T is for Thankfulness; and S is for Supplication. What would we do without God's Grace?

You will find a note in your child's red folder today about all the activities they experienced on our Prayin' In PJs Day.

Language Arts

Please be sure your child is reviewing the "words to read"/ high frequency words at home. These "often used words" will strengthen reading skills. Next week we will discuss the sound of Tt. It might be fall...but we are blossoming in reading!

Math

Our new chapter deals with counting, writing, and comparing numbers through 5. Our vocabulary words will include: more, fewer and less.

Social Studies/ Science

Fall is upon us and next week we will read all about Johnny Appleseed. We will discover the interesting facts about the season, and the beautiful changes God is showing us everyday!
