IMPORTANT NOTES & UPDATES

In the month of October we will be collecting "Pennies for Priests". Your child may bring change to school to put in our collection. These "extra" funds are collected throughout the school and used for the education of our diocesan seminarians.

Thank you to Olivia Brooks, Clay's sister. She read Sneetches by Dr Seuss to Mrs. Westbrook's class. She was delightful!

Mrs. Philbin's class is changing their library day to Friday. All books will be due back on this day. New schedule begins next week. K-W visits the library on Tuesday.

PLEASE, please put your child's name in their sweatshirts and all other items. Remember, we are all dressed alike!

Have a great weekend!!!

Classroom needs

Seasonal and religious stickers
Clean aluminum pie pans
Fun tak blue-green or yellow (Wal-mart)

CURRICULUM NOTES Religion

October is the month of the Rosary. We will teach our students how to pray the Rosary. We will also introduce them to the Mysteries of the Rosary. Each kindergartener has their own pair of Rosary beads at school. Building a relationship with the Blessed Mother at a young age is the beginning of wonderful prayer experience.

Language Arts

Here is a list of high frequency words your child should be familiar with:

am to
the a
little

I Keep practicing!

Math

We are concentrating on writing our numbers correctly. Please "oversee" all homework pages your child brings home. Use pencils only. Twos and threes can be difficult.

Social Studies/ Science

We continue our study of Fall. We will be taking a Fall walk next week, and observing the beautiful changes on our campus. Please send a few special leaves to school on Monday!
