

# Mrs. Newsom and Ms. Sanderson

## Weekly News

Another week has flown by! It is getting close to flu season and many bugs have already started to venture through the first grade classrooms. Please be respectful of your child and others if they are not feeling well. Thanks for your consideration. We enjoyed meeting with everyone during conference time. Keep up the great work that you are continuing to do at home to help your child succeed!

## Reading/Spelling

This week we will be reading *Who Works Here?* The sound we will be learning this week is the long "i" and digraphs, "wh", "ch", and "tch."

## Reminders

- o Please send water and a snack with your child daily.
- o Please remember to sign homework notebook nightly and to draw houses for the next day. This really helps your child out in the mornings.

o

## Science

We are beginning Chp. 3 this week and will be discussing how plants and animals survive in their habitats.

## Social Studies

We will begin Unit 2 this week and will be discussing where we live and looking at maps and globes to see what parts are land and what parts are water.

## Religion

We will begin Chp. 6, "God Speaks to Us." We will be discussing the different ways God speaks to us through the Bible and through prayer.

## Math

This week we will be continuing in Chp. 3 and learning different strategies for addition problems.

Thanks,
