CURRICULUM NOTES Religion

We continue to learn about the mysteries of the Rosary. The children have enjoyed learning about the Joyful Mysteries.

Next week we will have our All Saint's Mass. This is quite a learning experience for the young students. To be able to see the saints in our 4th graders is truly a spiritual learning moment!

Social Studies/ Science

We will be having fun with Halloween activities next week, but will also be learning about the process of voting. We are excited about voting in our school wide election on Nov. 4. We are very blessed to live in America where freedoms and liberty live too!
